# 5 MINUTE ME

## THE OFFICE WANTS TO GET TO KNOW YOU BETTER.

Your short presentation will happen during a morning meeting. 5 minutes is short, but do your best to stay within that time.

Come prepared with anything visual that will help us get to know you better (photos, books, posters, mugs, buttons, etc.).

The suggestions on this page are just that, suggestions. Don't feel locked into what I've provided. Share whatever you need to so that we can get to know you better.

Come prepared with a simple outline, my suggestion is to not read about yourself, you already have all the answers in your head. Make it interesting, don't read :)

We look forward to learning more about you!
